

We are Hiring!

We are currently looking to hire for these critical roles at ROP. Please pray with us that God will bring us the right person for these positions, and help us spread the word by sharing with your friends!

Work-Readiness Program

Director: coordinates and oversees volunteers to offer the GED and tutoring program to those in our community, as well as assisting to find jobs, prepare for citizenship tests, fill out applications, and complete other important documents.

Youth Ministries Program

Director: coordinates and oversees volunteers in reaching out to the youth (6th-12th grade) in the East Colfax area through intentional relationship building activities and discipleship.

Executive Assistant: works alongside Executive Director in administrative tasks for ROP; including planning events, supporting program coordinators, etc.

Food Bank Pantry Assistant

Volunteer: works alongside the Food Bank Director in maintaining the organization and storage of food donations for the food bank. Occasionally assists in overseeing volunteers for food bank services on Tuesdays.

Please contact Vicki Bryant for more information: 720-859-2513

A Church Partnership Story

By Mike Harrison
(ROP Board Member and Co-Chair of the Missions Leadership Team at Bethany Evangelical Free Church in Centennial, Colorado)

Bethany Evangelical Free Church, in Centennial, has been partnering with Restoration Outreach Programs from their very beginning 13 years ago. This relationship is an integral part of Bethany's "Urban Focus" and is an important part of our overall missions engagement as a church. Isaiah 58:6-7 expresses our heart for the people that ROP has been called to minister to on a daily basis.

*Is not this the kind of fasting I have chosen:
to loose the chains of injustice and untie the cords of the yoke,
to set the oppressed free and break every yoke?
Is it not to share your food with the hungry
and to provide the poor wanderer with shelter—
when you see the naked, to clothe them,
and not to turn away from your own flesh and blood?*

As a church, we view ROP through two distinct lenses. **The first lens** is seeing the ROP staff as the "hands and feet" not just of Jesus, but of Bethany EFC as well. By partnering with and financially supporting ROP, we as a church are engaged in every aspect of ROP's ministry. We are blessed to be able to individually support members of the ROP staff as well as the overall

Prayer -Walking group from Bethany and ROP staff

organization. Most recently we had the opportunity to support ROP as they had a special campaign to raise enough money to pay off the mortgage on their building. This was a major milestone for the ministry and we were pleased that we as a partner church as well as individual members of our congregation were able to be a part of it.

The second lens we look through is one of mobilization and specific “hands on” involvement. Whether it is sitting on the ROP Board of Directors or volunteering during the week with Work Readiness or ESL classes, we are blessed to have individuals from Bethany directly engaged in ministry and using their spiritual gifts for the kingdom. Our people volunteer for the Thanksgiving Outreach events and the church has a food drive every year to support this effort. We have mobilized people for “prayer walks” through ROP’s East Colfax neighborhood, believing that praying “on-site with insight” is one of the best ways to support ROP and cast vision for the ministry throughout our church.

The Lord calls all of us as his children to be engaged in ministry and doing ministry in partnership with others is both strategic and rewarding. Being involved in advancing God’s Kingdom among the people in the East Colfax Community is both a joy and a privilege for both Bethany Church as a whole, and for those who have responded to God’s call for greater involvement.

ROP’s Annual Celebration: Friday, May 7th at 6:30pm

Please join us for this virtual event. ROP’s annual gathering is going to be momentous and you don’t want to miss this special time with ROP’s new Executive Director, Mary Tellis, along with other ROP staff.

“Our Story – Our Journey”

This year we will be remembering and reflecting on ROP’s history, and the story God has written through ROP in the East Colfax community. It will be a night you will not forget, complete with testimonies, memories, and the genesis of ROP’s ministry.

Registration and sponsorship details are coming soon—stay tuned!

We are excited to come together and celebrate the awesomeness of God’s grace, mercy, and redemptive love as a community. Thank you in advance for joining us in God’s incredible work to **“meet needs, build relationships and restore lives through Christ within the East Colfax Community.”**
